Sports Field Weather Hotline : 480-350-5293

Please keep this number handy. For days with inclement weather, the hotline will be updated by 3:30p daily. It is always hard to predict the weather at any given field since often times showers can be very spotty. Please assume we are playing, and continue out to the fields. We will try and communicate any cancellations as soon as we can confirm the field conditions. Thank you!
